

Dear Members and Friends of Artistic Dance

To start 2016 it gives me great pleasure to pass on fresh and innovative ideas to further develop the WADF in this our 3rd year.

Many Championships are already planned and presented in our Calendar with more to come. We are so happy that our organisers are planning their events much further in advance than before, which allows our members to plan ahead and prepare their dancers for the international events they wish to attend.

An interesting adventure we are excited about is our WADF Academy Education concept. Following pressure from many members the WADF Managing Committee made the decision for the WADF to become an examining body for dance instructors at two levels to start with. Student and Master Dance Instructors. The 1st Seminar for Student Dance Instructors of the Couple Dance Department will be held in Moscow on Friday 18th March. The Master Instructors invited to present the Seminar are Guido de Smet, Belgium and Sylvester Sefothelo, South Africa. We will be following the development of our Education system with interest to see how dancers adapt to it.

We will also be introducing the WADF Academy exchange programme for talented dancers to visit other member schools and clubs in other countries to improve their dancing abilities and establish closer contacts for their future. This exchange programme is also for Instructors/Teachers who would like to exchange their knowledge and teaching abilities in a different atmosphere and surroundings in other countries.

All very interesting and we are sure that as time passes more dancers will make use of unique programmes pioneered by the WADF.

Welcome to a new and exciting year of dance in 2016 filled with fabulous Artistic Dancing.

Nils-Håkan Carlzon
President WADF

Dear dancers,
adjudicators,
coaches and
honored guests!
Dear fans of Artistic
Dance!

For the third time we are very happy to invite you to take part in the 2016 WADF European Championships! And again we are organizing this event in the heart of Russia, Moscow. We are proud and honored to present these Championships for you.

Those who were with us last two years would remember for sure the two fantastic days filled with positive energy, emotions and friendship through dance. Our last event was a real success and we promise we will definitely get you extremely excited this time! We hope to see our old friends with their amazing performances as well as new people with fresh ideas and dances. The atmosphere of this remarkable competition is sure to get you thrilled from the beginning to the end.

As soon as the last event had finished, we started to think about 2016, how to make it better for you, with more color

and memories to take back home. We do have some ideas to impress you!

The 2016 WADF European Championships will take place on 19th -20th March, in two halls of the Korston Hotel -“Place de Paris” and “Chaykovskiy” which are truly unique. We promise you that you've never seen such a hall for dance competitions. You will have the feeling of being in the centre of old Paris square under the blue sky. After all, it's Artistic Dance. It's art first and foremost, and we would like to set the best scenery for you to express your artistic dancing at its best.

More than this we would like to suggest you two great kinds of workshops: for Artistic Ballroom and Salsa Kali! The workshops will be presents by WADF Academy – Guido De Smet (Belgium, Ballroom) and Sylvester Sefothelo (South Africa, Salsa Kali). Do not miss the opportunity to join those interesting and fantastic seminars in Korston Hotel, Hall Shantan!

All dancers and guests are welcome to stay in the Korston Hotel for the whole weekend, which makes it convenient for participants to prepare and get ready for their performance in their rooms and be in close proximity to the hall.

The international panel of adjudicators this year includes: Guido de Smet (Belgium), Marga Wouters (Belgium), Gokhan Tuncer (Turkey), Seline Tuncer (Turkey), Salsa Levi (Hungary), Alexey Makarov (Kazakhstan), Vladislav Li

(Kazakhstan), Gordana Orescanin (Serbia), Ilona Sulcova (Czech Republic), Esteban Isnardi (Switzerland), Alekxander Sokolov (Russian Federetion), Natalia Korepanova (Russian Federation), Marina Aleshina (Russian Federation), Sylvester Sefothelo(South Afrika), Roland Kovacs (Romania), Oanne Kovacs (Romania), Milan Fulop (Hungary), Fransicka Fulop-Kovacs (Hungary), Francois Perrez (France), Claudine Weber (France).

Chairman of adjudicators will be our favorite Marian Sulc (Czech Republic) and the Championship Supervisor Nils-Håkan Carlzon.

And definitely, our perfect Floor Master Jiri Potucek will be with you all the time!!

As always in Moscow, from early morning till late at night our special MC Mikhail Schepkin will be with you. That's a guarantee that the atmosphere in the hall will be electric. Get ready to participate in some flash mobs and learn some fun group dances!

The main organizer, Irina Shmalko, and her team looks forward to seeing you all in Moscow and promise you that the 2016 WADF European Championships will stay in your memory and hearts for a long time!

For more details and information with the list of disciplines please go to the WADF website www.worlddartdance.com or www.rdu-wadf.ru

We invite you all to take part in these Championships to witness the remarkable development of our WADF and the unique possibilities it offers to boys and girls all around the globe, who want to dance, be happy and compete in beautiful and professionally organised events!!!

It is a special pleasure to inform you that the International Council for Arts & Culture has been officially registered for which we are currently working on the website www.icac.global, which hopefully will be online within a month.

The ICAC is a non-profit organisation whose purpose is to provide opportunities for persons in the Arts & Culture community.

The mission of the ICAC is to encourage the growth, development and knowledge of the Arts & Culture in many nations around the world through a syllabus for competitions, education, instruction and promotion aimed at stimulating all levels and age groups to join the worldwide Arts & Culture family.

The International Council for Arts & Culture (ICAC) is a product of two international organisations, World Association of Performing Arts (WAPA) and World Artistic Dance Federation, who by combining their membership as at 01.01.2016, in over 100 countries, can create a special institution for the Arts & Culture.

The ICAC has the following mandate:

- Establish an official Arts & Culture Handbook.
- Research standards for the education of the Arts & Culture.
- Engage experienced persons for promoting the Arts & Culture.
- Support the transfer of Arts & Culture from one country to another.
- Raise funds, collect fees and accept contributions and subsidies and ensure that all resources are used solely to further the aims and objectives of the ICAC in accordance with the principles that the ICAC is a non-profit, non-political and non-religious organisation.
- Implement a marketing programme that involves communication, public relations and demonstration events to bring the Arts & Culture and its benefits to the attention of the General Public.

All current members of the WADF and WAPA are invited to be registered, free of charge, as Supportive Members, which will provide the ICAC with a starting position of 500 members in more than 100 countries. WADF and WAPA members not wishing to become a Supportive Member can inform us accordingly.
